NANNUP
START FINISH
FORESHORE PARK

This route is a great training ground for SEVEN 2026, giving you a real sense of the terrain of the full course without riding on private property or entering active forestry zones. It starts and finishes at Foreshore Park in Nannup. Please note, there are active forestry operations occurring to the north of Agg Road, so please stay on this course and keep an eye out for forestry vehicles that may be using Agg Road.
